**KSC/CCAFS HEALTH EDUCATION & WELLNESS PROGRAM AUGUST 2004:** The month of August is dedicated to stress management. Many of us often deal with events, issues, and persons at work, at home and everywhere in between that leave us feeling stressed. Moreover, stress has been implicated in at least 80% of the illnesses that plague our society. Thus, it is important to learn how to effectively handle stressful events and change our perception about potential stressors.

This month's information packet contains information, techniques and tips for stress management including addressing stress at work, at home and on the road. The packet is available at the following link: <http://sgs.ksc.nasa.gov/sgs/sites/other/chs/omehs/occmcd/home/index.cfm?page=new>

Hard copies of the packet are available at all medical and fitness facilities. If you or your department/organization would like to be added to the monthly packet hardcopy distribution list, please call Kris Calderon at 867-3414. (TA-C2)

**STRESS MANAGEMENT EDUCATION TABLE:** The monthly health education table will be set up at the MFF Cafeteria (launch area) on August 26<sup>th</sup> from 11 AM to 1 PM where HEWP staff will distribute various materials related to stress management and answer questions. (TA-C2)

**\*\*New\*\* STRESS MANAGEMENT WORKSHOP:** Based on expressed interest, any employee group can request delivery (at any time of the year, during the workday) of a newly developed, interactive workshop designed to teach employees how to handle stress at their workplace and in their lives. The workshop can be condensed to 30 minutes or extended to more than an hour for optimizing coping and relaxation skills. Example of topics and skills covered in this workshop can include:

- Identifying stress triggers
- Learning about the body's response to stress
- Learning "Portable" relaxation techniques
- Stress perception

Kris Calderon, PhD, CHES, BCIAC, KSC/CCAFS Health Education Administrator will be offering this workshop. Kris is certified in biofeedback and has used relaxation training for stress management in her teaching, service, and research. If interested, please contact her at 867-3414 or e-mail at [Kristine.Calderon@jbosc.ksc.nasa.gov](mailto:Kristine.Calderon@jbosc.ksc.nasa.gov) for more information. The workshop can be delivered in any worksite setting. (TA-C2)
